ALLEGED VIOLATIONS OF KRS)	
CHAPTER 278)	

O R D E R

On January 31, 1994, Addison Water and Sewage Treatment Facilities ("Addison") submitted a motion to the Commission for an Order granting Addison approval of the rates it previously submitted. In the alternative, Addison requested the Commission schedule a formal hearing no later than March 4, 1994 to determine whether those rates are reasonable.

The Commission finds that a formal hearing is necessary to determine whether Addison's proposed rates are fair, just, and reasonable, and that the intervenors to this action had previously requested a hearing be held on this issue. However, due to scheduling conflicts, it is not possible to schedule this hearing prior to March 4, 1994.

IT IS THEREFORE ORDERED that:

1. A formal hearing be and it hereby is scheduled for March 18, 1994, at 10:00 a.m., in Hearing Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky, for the purpose

of assisting the Commission in its determination of the fair, just, and reasonable rates for Addison's service.

2. Addison shall mail or hand-deliver to each of its customers written notice of the hearing specifying its purpose, where it is located and the time it begins, no later than seven days prior to the date it is scheduled.

3. At least three days prior to the hearing, Addison shall provide the Commission and intervenors the following documents:

a. Legible copies of invoices reflecting purchases made from June 1992 to present made for the sewer and water operations. Separate the invoices between the two utility operations.

b. Copies of any indebtedness reflecting Addison's indebtedness.

c. Any anticipated changes in the operating expenses for Addison should be outlined in writing and supported by documentation, i.e., invoices, letters from vendors or contracts.

4. Each party participating in the hearing shall submit to the Commission a written list of the persons who will testify at the hearing and a written list of any exhibits he will introduce at the hearing no later than three days prior to the date of the hearing.

Done at Frankfort, Kentucky, this 2nd day of March, 1994.
